Re: Daniel Kleeberg, Lisa Stein and Audrey Hays v. Lester Eber, et al.
Civ. Action No.: 16-cv-09517-LAK-KHP

Dear Judge Parker:

I represent The Estate of Elliott W. Gumaer, Jr. in this action. I write in connection with the scheduling conference scheduled for Tuesday, September 10 at 2:00pm to request permission to participate telephonically. Due to a personal family commitment it would make it extremely difficult to be in NYC that day.

I have explained the circumstances to counsel for plaintiffs and co-defendants and they have no objection to this request.

Thank you for your continued consideration in this matter.

Respectfully submitted,

Robert B. Calihan
